WELCOME TO THE BEST FOOTBALL ACADEMY IN DUBAI.

WHERE PASSION MEETS POTENTIAL.

At Go-Pro Sports Academy, we do more than coach football – we build futures.

Founded by former Manchester United player Kirk Hilton and powered by a team of UEFA-qualified coaches, Go-Pro has spent over a decade nurturing young talent in the UAE. From ages 4 to 18, our players aren't just trained – they're guided, inspired, and supported every step of the way.

We pride ourselves on being more than an academy – we're a tight-knit football family with a strong culture of excellence, character, and community. Every child is known, valued, and pushed to be the best version of themselves – on and off the pitch.

Our extensive network of partnerships with professional clubs in the UK, along with links to top universities and colleges in the UK and USA, gives our players the unique opportunity to pursue both sporting ambition and academic success.

At Go-Pro, we recognise potential. And we're here to help every dedicated player turn it into something remarkable.

If you're ready to take your game to the next level, you're in the right place.

Let's get started.

WORLD CLASS FACILITIES

LOCATION 1 - DESS COLLEGE

Go-Pro Sports Academy Dubai are fortunate to be based at DESS College and utilise the premier football facilities including a full-size football pitch and 2 training pitches with real grass and the 4G Astro football pitch.

The 4G pitch is an advanced artificial playing surface that comes close to replicating the experience delivered by a traditional turf pitch. However, research indicates that this artificial pitch can be gentler on players' joints and muscles with the shock-pad layer installed offering a cushioning effect, reducing the chance of injury- ideal for young players.

GO-PRO WEEKENDS

Train Hard. Play Harder. Compete with Go-Pro.

At Go-Pro Sports Academy, we don't just develop skills – we deliver real match-day experiences that put our players to the test.

We believe that what's learned on the training ground should be showcased in competitive play. That's why our academy proudly participates – and consistently excels – in some of the most prestigious leagues and tournaments across the region.

Our squad players are expected to train with us at least twice per week, building the fitness, confidence, and game intelligence needed to perform at a high level.

Participation in official leagues and tournaments comes with additional registration fees, which are collected by Go-Pro on behalf of the event organisers. These fees are separate from regular training fees.

With Go-Pro, players don't just train – they compete, grow, and win.

Are you ready to step up?

“ Great players are made when no one is watching – it's the extra that makes a difference. - Jonny Blake

This season we hope to build on all our previous successes with our new squads for 2025/26.
